

The Holdorf Hubbub!

Social Studies:

We are studying a little about various December Holidays. We have been reading stories and completing activities that go along with each holiday.

Holiday Party

We are keeping our Winter Holiday low-key. I will be showing the Grinch cartoon, we will have a small snack, and a wrapped theater-box candy exchange game (I will provide the wrapped candy). It will be on Friday, December 15 from 10:10-10:50. You are welcome to pop in and say hi, but we won't need any help with stations this time around.

Math

We have been continuing to practice a variety of strategies to solve multi-digit addition and subtraction as well as rounding to the nearest 10 and 100. I will begin to give multiplication timed tests next week. They will have 2 opportunities per week to pass the timed tests. It starts with 0s and 1s, then progresses through each set of facts. Any extra practice at home with multiplication fact fluency is appreciated! By the end of the year, third graders are expected to be fluent with their multiplication facts 1-10.

Progress Reports

Students do not have school on Monday (Dec. 4) because teachers have a day to complete Progress Reports. They will be coming home in Friday Folders on Dec. 8.

Coming Up...

12/13 Early Release **Dismissal 12:15**

12/18-1/1 Winter Break

1/2 Prof. Development Day **No School**

Have a wonderful weekend!
