

The Holdorf Hubbub!

Famous Americans:

We are working on researching famous Americans right now. Students will form speeches from their research and have a home-work project connected with this the week of May 21-29. You are invited to come in for our 3rd Grade Famous American Wax Museum. It will be Wednesday, May 30 from 9:00-9:40 in the Cafeteria/Gym. Students will also give their speech to the class before and/or after the wax museum for one last graded speech opportunity for the year.

OMSI Class

Next week on Tuesday each 3rd Grade class will be participating in an OMSI class that is coming to us here at Middleton. It is called Cowabunga Chemistry. According to OMSI's description, "Students will get to see amazing chemical reactions as they measure and mix

ingredients and discover substances with strange and surprising properties: polymers. Two different gooey, slimy concoctions are made by each student for the ultimate in chemistry fun." We will be participating from 12:50-1:50 in the afternoon.

State Testing

We will be finishing up with State Testing next week. We will have sessions to do the math portions Mon Tues, and Wed (if needed) from 8:30-9:30.

Coming Up...

Today	Carnival 4-8pm
5/28	Memorial Day No School
5/30	3rd Grade Wax Museum 9:00

Have a wonderful weekend!
