Famous Americans:

We are working on researching a famous American right now. Students will form speeches from their research and have a home-work project connected with this the week of May 22-26. **You are invited to come in for our 3rd Grade Famous American Wax Museum. It will be Friday, June 2 from 1:15-2:00 in the Cafeteria/Gym.** Students will also give their speech to the class before and/or after the wax museum for one last graded speech opportunity for the year.

Final Field Trip

We tried with no success to re-schedule the Tilikum Field Trip. We did, however, manage to schedule one final 3rd grade trip that each class will be doing for a few hours the last week of

school. We will be visiting the Tualatin River National Wildlife Refuge on June 13th (for our class). We will be going from 11:45-1:45. We will be checking out some macro invertebrates and taking a nature walk. I will need a couple of volunteers to help out, so if you're interested please let me know.

State Testing

We will be finishing up with State Testing next week. We will have sessions to do the math portions Tues, Wed, and Thurs during our afternoon math time.
