

The Holdorf Hubbub!

Class Newsletter

I will be sending my class newsletters as an attachment via email throughout the year. You can expect to see newsletters from me about every 2 weeks. If there's something crucial that pops up in between newsletters, I will just send out an email. If you do not want to receive emails from our class, just email me and let me know you'd like to be removed.

Fun Run's Coming...

Believe it or not, the Fun Run is right around the corner. This is our fundraiser for the year! The day of the actual run is Friday, September 28. Please consider volunteering your time to this project - it is a great way to start the school year and a fun way to donate your time and talent to help the students at Middleton. 3rd Grade will be running from 8:15-8:40.

DESTINATION CHANGE

For those new to Middleton this year, or as a good reminder for those who aren't, please take note of our procedure for any change in destination your child may have on any particular day. If your child will be going home

in any way different than their regular routine, please send a note, email, or call the front office by 1:30 pm so we can ensure your child gets to the right place.

Also, please note that I do my best to check email and phone messages frequently, but there are some days that I simply can't get to it until after school (or the computer system is not working). If something is urgent, be sure to contact the front office and they will notify me.

Back To School Night

Please come next Thursday evening at 6:00pm for Back To School Night. Parents will meet in the cafeteria first, then we will have 2 identical classroom sessions available for you to attend right after. The 2 sessions are offered so that if you have more than one child at Middleton you can visit more than one teacher session.
